

WELCOME TO A BETTER YOU

We're so much more than a fitness center. Your membership makes you part of something bigger. When you're part of TIFTAREA YMCA you're a member of a community that's committed every day to helping you and your family through programs focused on:

YOUTH DEVELOPMENT

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development— all grounded in the Y's core values of caring, honesty, respect, and responsibility.

HEALTHY LIVING

We help people and families build and maintain healthy habits for spirit, mind, and body in their everyday lives. By helping kids, adults, families, and seniors from all walks of life improve their health and well-being, we build a stronger community.

SOCIAL RESPONSIBILITY

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters, and staff demonstrate the power of what we can achieve.

OUR MISSION

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

OUR STORY

Local business man and active Tifton citizen, Lamar Jackson realized that the youth of the Tift area needed a place to come to that provided an opportunity to participate in activities that were safe and wholesome. After contacting YMCA of the USA, meetings were conducted to see if the community would support a Y. A steering committee was put together and funds were raised to create the foundation necessary to sustain a Y, and the Tiftarea YMCA was officially granted a charter in August 1998 as a provisional YMCA.
