What type of guitar do you own? _____

What are you most interested in learning? _____

What kinds of music are you most interested in playing? _____

What level of playing are would you rate yourself? Beginner Average Experienced

Please read the following and then sign your name below.

I hereby understand that I will have to use my own guitar and my own tuner to further the better learning of my guitar skills. I know that the Tiftarea YMCA is not responsible for any lost or damaged items, including my personal guitar and/or tuner. I understand that these lessons are in a group session and a classroom format, and that I will be learning how to play my guitar with accompaniment of other Tiftarea YMCA participants. I understand that this is not an individualized lesson and that I will have to be patience amongst learning with other participants. I understand all of the above and my signature below states that I have read this documentation.
