

**To All Members:**

**At the Tiftarea YMCA, one of our most important goals has always been to enrich the lives of our community. The Tiftarea YMCA's goal is "Strengthening the Foundations of our Community".**

**That's because giving our members a safe and nurturing place to go benefits everyone. By introducing new experiences based on Christian principles that will help us grow into a responsible and successful YMCA, we make the community we love a better place to live. YMCA programs teach all people important values such as **caring, honesty, respect and responsibility.** Through a variety of fun and rewarding activities, we also develop skills while gaining confidence and self-esteem. **You simply cannot put a price on building the character of children and families.****

**We believe that everyone who needs the YMCA should be able to participate. No families are turned away because of their inability to pay. Quite honestly, the Tiftarea YMCA is a new Y and strong community support is necessary to enable us to grow. **We are asking for your help in the way of monetary contributions, prayers and support. Although contribution levels are suggested at \$25, \$50, \$75 and \$100 and above, we are grateful for any amount you feel able to donate. *All donations are tax deductible.*****

**The Lord has opened many new doors for us and we feel that He will continue to bless us. We have recently begun our Food For Thought program in partnership with the Board of Education and many churches to feed over 1000 hungry children every day. We now have a great program to teach English as a Second Language to our migrant community. We will continue these mission based programs with your help and support. Our Kid's University will be an academic afterschool program alternative for college bound kids from pre-k through the 6<sup>th</sup> grade. We want you to be a part of these ministries and we need your help to continue to grow.**

**We currently have over 2,500 active members enrolled and over 1500 program participants. Our short term is 3,500 members. Let's increase these great numbers! Please feel free to bring your friends and introduce them to your YMCA.**

**Won't you please support your YMCA?**  
**Give TODAY!!!**

**Sincerely,**

**Jimmy Moore
